

ASIA PACIFIC JV & PARTNERSHIP PORTAL FOR ENERGY MARKET

Asia Pacific JV and Partnership Portal is a new business system for energy companies and investors to easily access and evaluate the projects and partnership opportunities. The portal is based on commercialisation and development strategies for oil, CBM, Shale gas, Oil shale UCG and coal energy market in the Asia Pacific area.

**Make this your one-stop shop when
accessing the Asia Pacific
Energy Market**

Every month we will publish new energy projects which are open to partnership and JV in Asia Pacific area. Portal members will be able gain the comprehensive information about the energy projects and take advantage of meeting and discussing the possible JV partnership opportunities with project developers and concession owners.

Registration: Please fill the attached form and e-mail to info@csgexploration.com . Registration and yearly membership fee is \$600 to access this very beneficial opportunity.
